Kids Playing For Kids Needs Your Help for AZ Gives Day

Please join us on April 5th when non-profit organizations from all over Arizona come together for the annual Arizona Gives Day 2016! With your help, we will have the opportunity to make a tremendous impact within our local community.

The success of Kids Playing For Kids and our ability to connect more chronically-ill kids with local youth sports teams completely depends on your generosity. With your support this past year, we have made great strides in expanding our reach, recruiting volunteers and matching kids to teams. But, there is still so much to do!

APRIL 5, 2016

Please be part of this collective effort to make a huge difference! Will you donate \$10 or more to Kids Playing For Kids on April 5th?

Just visit www.kidsplayingforkids.org to make your donation. Be part of Arizona Gives Day and make Kids Playing For Kids your non-profit choice!

Thank you for being such an important part of what we do.
We could not do this without your support!
